Menu Week no: 1

Attendance: Congratulations to classes 10 who had 99.6% attendance this week - you were our attendance stars. Well Done to you all!

What we have been up to this week:

This is the last newsletter of the school year so I wanted to take the opportunity to say a massive thank you to all the children, staff, parents and friends of our school that make it such a warm and friendly place to learn.

We have lots of things that we need to review and consider for next year to make sure we continue to offer a happy and safe learning environment where our children have lots of opportunities to develop their skills and abilities in a myriad of different ways.

We are saying goodbye to Mrs Jakes and Mrs Hare today as well as a number of children next week. We wish them all well and hope that they will continue to be successful in their new schools.

This week has been our Growth Mindset Week, helping the children to build their resilience in preparation for the new challenges they face as they move up a year. Beth Dobson, the GB athlete, shared her story of how hard she has had to work and how many times she has had to pick herself up after disappointment. She also ensured all the children had a fantastic time and enjoyed some activities with her. Year 6 had a maths challenge morning organised and run by Woodkirk Academy as part of their week.

The new Cluster Councillors went to the Town Hall for their first meeting. They will be representing our school as a part of Morley Family of School so that they get the opportunity to put forward ideas and strategies to help improve the local environment for our children.

Next week, Mrs Walker is returning to Year 3 following her maternity leave, and Miss Black is joining EYFS to cover Miss Holdsworth's maternity. We are delighted to have them as part of our team.

TRANSITION WEEK:

Next week is our Transition Week. The children (except those in Nursery currently) will all go straight to their new classes at the start of the day.

Don't worry if you don't know where to go there will be plenty of staff in the playground through the week to direct and answer any questions.

More information is available on Tapestry if you are uncertain of anything.

REMEMBER:

There is no Lexia or Mathletics now until the week beginning 10th September 2018. You will be notified if your child is going to be included in these interventions in the first week back in September.

Year 1 have taken great effort to grow pots of poppies as part of Morley in Bloom. Three children from Year 1 went today to Morley Town Hall to share in the judgement day. Fingers crossed they do well.

LOVE SPORT? CHOOSE OUR SCHOOL!

**Going into Y6 in September? Fanatical about rugby or netball?
Try out for a secondary school place at The Rodillian Academy.**

Because we're a fantastic school, competition for places is always tough. But we're now opening up some of 2019 places to boys and girls in the Leeds/Wakefield area who have a real determination to excel in rugby and netball.

We have outstanding coaches and facilities, as well as a brilliant relationship with sports clubs and National Governing Bodies. We work closely with Leeds Rhinos Netball, Yorkshire Carnegie Rugby Football Club and the Rugby Football Union (RFU).

If you like the sound of all of this, we want to meet you and your parents. Come to our Year 6 Open Evening (20th September) and our sports trials event and try out for a place at the Rodillian Academy.

LOOKED AFTER / KINSHIP / SPECIAL GUARDIANSHIP ADOPTIVE PARENT AND CARER GROUP

**FIRST TUESDAY OF EVERY MONTH
1:30PM – 3:00PM**

FREE ENTRY - REFRESHMENTS PROVIDED

This group has been set up as an unofficial support group for Parents and Carers of Adopted / Looked After / Kinship or Special Guardianship children.

This can be a rewarding but stressful role in a child's life, and there is not a well-trodden route to finding support. This group has been set up to offer a social, supportive and relaxed setting for meaningful discussions about anything at all. Discussion is led by the attendees and if necessary emotional and practical support will be provided by the professionals in attendance. This is a great place to meet people in a similar situation, in what can sometimes seem like a lonely world. We will endeavor to invite professionals in the field for specific help and advice where available and necessary.

**This is open to any Parents/Carers of children in the
