Menu Week no: 2

Attendance: Congratulations to classes 7 who had 99.6% attendance this week - you were our attendance stars. Well Done to you all!

What we have been up to this week:

Welcome back everyone. It's fabulous to see all the staff and children back with smiling faces and bags of enthusiasm. The new gates are working well and not disrupting the start of day. We now have a fully operational outdoor provision for Key Stage 1 as well as Nursery and Reception. The new fencing enables the children to spend lots of time undisturbed outside as part of their learning and keeps them safe at playtimes and dinnertimes.

We are looking to recruit more lunchtime staff so if you fancy joining us for a couple of hours every day please look at the advert later in the newsletter and get your application in.

Everyone has started with lots of fun and engaging learning activities. Year 1 and 2 have had lots of WOW activities to introduce their topic and have really started to make good use of their outdoor provision.

Year 3 and 4 have been archaeologists digging in the forest school and making amazing new discoveries. It is all so exciting and a fabulous fun way to introduce their topic.

As always there have been some blips with moving the children up into their new years in all our electronic systems. We are well on with sorting them and Parent Pay, Tapestry, Accelerated Reader, Lexia and Mathletics should all be up and running next week.

I have attached as many dates as possible as fit on the diary page, but we will update the annual calendar on the website next week so that you have a full picture of the things we have planned for this year.

Dealing with missing children

Dear Parent / Carer / Guardian

Within Leeds District the Police deal with an enormous amount of missing children every week. Every incident is distressing and traumatic for the family involved.

The police are asking if you could help reduce the number of missing children by ensuring that when your child's friend stays overnight at your home address, you have personally spoken to the friend's parent/carer/Guardian to ensure they know where their child is staying.

We want to keep young people safe and avoid the upset of having officers attending at your address in the early hours to find a young person who has been reported missing. Young people do not always tell their parents where they are staying, they may have said they have permission when in fact they don't.

West Yorkshire Police would like you to assist in being vigilant and responsible, helping to reduce the number of missing children with just one short phone call to the child's carer to ensure everyone is aware.

Should you need to report a missing person, please contact 101.

On behalf of West Yorkshire Police I would like to thank you for your assistance with this and let us all work together to keep your children safe.

Yours faithfully
