Menu Week no: 3

Attendance: Congratulations to class F2A who had 100% attendance this week - you were our attendance stars. Well Done to you all!

What we have been up to this week:-

Year 5 have been out of school this week to visit a local recycling plant as a part of their topic. They were fascinated to see how our household waste is sorted and used to create useable energy so that none of it goes into landfill. The children are all really keen now to make sure we are all thinking about the things we waste and how we can be more thoughtful about recycling.

We have also had the school nurses in this week to give flu immunisations. If your child has a flu immunisation outside of school over the next couple of weeks can you please inform school as we have a member of staff who cannot be in contact with anyone who has recently had the immunisation until her own immunity is secure.

As you will be aware the Parents, Teachers and Friends Association (PTFA) at our school arrange a number of events across the year. These are to raise money for 'extras' in school and also to host fun events that involve the children and sometimes the whole family.

We are now in the position that we have had a number of parents and members of staff leave the Association as their children have moved up to high school or they have left our school.

Miss Wilkes (Jessie Wootton's mum), Mrs Turner (John McGeown-Turner's mum), Mrs Powell (Oliver Powell's mum) and Mrs Coley (Joe and George Coley's mum) would love you to join them so that we can plan and run lots of fun and exciting events for our children. If you would like to know more about how we work please talk to any one of the members listed above or ask Mrs Paver in the office and she will put you in touch with them by email.

We are looking for someone new to take the helm and are happy to take on board new ideas and suggestions to add to our already busy school schedule. So please do take the time to talk to our members and to put yourself forward and help us if you have any spare time and enthusiasm to provide for our children.

Ms Talbot

Dates for your Diary
