Menu Week no: 2

**Attendance:** Congratulations to class 11 who had 100% attendance this week - you were our attendance stars. Well Done to you all!

## What we have been up to this week:-

Year 6 have finished their SATs and a great job they did of them. The children all worked really hard and did their very best. They listened to all the advice they'd been given and made the very most of the time they had in each test.

Thanks to all the staff and children who have had to deal with a lot of disruption and a little bit of chaos this week. It is worth it to give our children the very best chance of success. Special thanks to the Year 6 staff; Mr Britton, Miss Meadows, Mr Shabbir, Mrs Loy and Mrs Fletcher who have worked tirelessly with the children across the year. They will continue to do so as we now look to transition and the children moving on to High School.

Monday saw our first Urban Rangers visit. The School Council children now know what is expected of them and what they will be doing to help improve and conserve our local environment.

Class 2 shared all their amazing learning with us in their assembly on Wednesday. Thanks to everyone who came along to share in the celebration of all their hard work. Thanks also to the Class 2 staff; Mrs Brown, Mrs Bailey and Mrs Shaw for all their work; it is having a really positive impact on the children.

We have been having a busy week in school; moving around our offices to try and ensure we have the right people in the right places around the building. We have moved our learning mentors downstairs so that they can be on hand when parents come into school. It also enables Mrs Blackmore and Miss Haigh to work together more easily. Mrs Lynch, our SENCo/ Assistant Principal has moved downstairs so that she can be near to our nurture room. Finally, Mrs Hirst has moved upstairs as she oversees Key Stage 2. Staff upstairs will be able to meet her without having to negotiate the stairs.

Our PTFA are planning a Quiz Night on 12th June 2019. It will be a family quiz in honour of Fathers' Day, so a good opportunity for everyone to come along and have a bit of fun. If any parents are able to help out on the evening (5-7pm) your support would be greatly appreciated. Please let Mrs Paver know in the office if you are available.

**Ms Talbot**

# Walk to school week

**20th to 24th May 2019**

Take up the challenge and see if you and your child can walk to school every day.

We have cycle shelters for children who bring bikes or scooters to school so try that if walking is not your thing.

Try to avoid using cars that cause problems for the environment by polluting, danger for our children as they cross the roads, and parking issues that leave tempers frayed.

A walk is good for you and your child's physical and mental health and helps the environment.
