

East Ardsley Primary Academy Newsletter

8th September 2017

Menu Week no: 2

Attendance:

Each week we will announce the class with the highest attendance.

What we have been up to this week:

We have had a very exciting start to the new school year. The children have all come in full of enthusiasm and ready to learn. We have started to introduce the new dinner system and the KS2 children have coped very well with choosing their dinner at the start of the day.

Classes 4,5,6, and 7 were all transported back to the Victorian era and experienced the horrors of school at that time. It all looked great fun and the children enjoyed it but we were all very shaken by the stern commands and silent children.

We have also started working on our new Teams this week. The children will be told which team they are now in at the start of next week and we hope to have chosen the new team names before the end of next week. Even though the teams may not have names the first Merit Assembly for Team A will take place next Thursday at 3pm. If your child will be receiving a merit you will get a text on Wednesday. However any parents with children in Team A are welcome to join us for the assembly.

Children in Class 9 are being taught by Mrs Stuart and Mrs Walker for the first half term as Mrs Keenan will not be in school. Her son has recently undergone major surgery so we wish her and all her family the very best and hope he makes a speedy recovery.

Finally I must apologise for the website being down. We have finally managed to resolve the issue but it does mean we have not been able to update the information that is on there. We will ensure that we spend time next week getting as up to date as possible.

We will be using Tapestry as our main means of communication so please make sure you log on as soon as possible to find out what is going on in your child's class.

Ms Talbot

Asthma

Could we please remind you that if your child has Asthma they must have an inhaler in school. If your child has recently been diagnosed or we have any new pupils into school that suffer from Asthma, could you please come into the office to collect an Asthma pack.

Dates for your Diary
