Menu Week no: 1

**Attendance:** Congratulations to Class 9 who had 100% attendance last week - you were our attendance stars. Well Done to you all!

## What we have been up to this week:

Year 6 have been busy learning to ride their bikes safely this week, both inside school grounds on the playground and outside on the local roads.

Throughout the rest of school there has been a real positive buzz as I have been spending time in classes finding out what the children are learning and how they are settling in to school. I have been very impressed with all the children's hard work so far.

Nursery were busy baking gingerbread men when I visited there; other classes have been using their maths skills, becoming super-heroes and generally having a fun time learning.

Our thanks go to all our new teachers who have settled in so quickly and made sure that the children are all happy in class and ready to learn. All the children have spoken very positively about their new classes and the work they have been doing.

There are already lots of things for you to see your child involved in on Tapestry. Please do log on and get back into the habit of checking. Homework, copies of letters, messages and reminders are all posted on Tapestry so it is really important that you do use it. You can attach posts with photos of things you have been doing with your child out of school and these will be published on your child's page, but you can also use it as a way to contact your child's teacher. Messages will be answered but will not be published on your child's Tapestry page.

Tapestry is no less important as your child gets older as examples of ways you can support your child and important information about things that are happening in school are all posted on Tapestry. You can have it as an app on your phone or log in through the internet.

If you are having any problems getting on to Tapestry please talk to your child's teacher. We will always phone or email you if you are not in school at the start or end of the day.

## **Sporting Event**

### **MSSA Football League 2017-18**

The first two games of the football season did not disappoint. Playing last year's winners; Morley Victoria, for our first game might have been daunting for some, but not us. The children were raring to go and straight away got stuck into the tackles.

Some brilliant runs from Lincoln and Matthew down the wings, kept Harry and Paige busy as they tried to break down Victoria's defence. After only a minute into the second half, a free kick from Joshua was powered into the back of the net; a fantastic goal! Along with Lewis, (doing a great job in goal), our amazing duo - Luke and Ben - kept the ball away from our goal area and we came away with a 1-0 win!

Our second game against Gildersome was just as fast-paced. An unlucky, early goal was conceded in the first half, and our opponents weren't ready to give up their lead. It was a tricky game, with quite a few shots on goal for both teams. A cracking shot by Harry just before the whistle had us all on the edge of our seats, but the ball just wouldn't go in. Both Lincoln and Ben had turns in goal and did some fantastic saves. Sadly it wasn't enough and we came away with a 1-0 loss.

Overall, the children played some brilliant football and I'm excited to see what is yet to come. 3 points on the first day of our season will do for us! A massive 'well done' to all the children:

Lincoln Kershaw, Matthew Sadler, Joshua Akiti, Lewis Butterworth, Ben Waite, Harry Webster and Luke Parkin. A special 'well done' to Paige Howley, who was not fazed one bit being the only girl, she was amazing!

## **Books at Home?**

We have a lot of school books missing, therefore please check at home for all unreturned books. If you have any library or accelerated reading books could you please return them to school as soon as possible. Thank you
